

Our wish :

to provide you with a cozy space close to Toulouse for you to relax, sleep ... and dream.

With a few extras :

- a private living room, just for you.
- a space where you can microwave food.
- a spa

Whether you use one room - the one that suits you best - or both, the apartment, consisting of a lounge and bathroom / WC, constitutes one single booking and will only be used by you.

We stay in a peaceful area in the heart of Castanet-Tolosan, 10 km from Toulouse. Going to Toulouse is easy. The bus stops 300 meters from the house. In about 10 minutes, it takes you to the metro station and another 15-minute ride takes you to downtown Toulouse. You can also drive to the metro station. No parking problems. The metro/bus ticket ensures free parking at the metro station.

Rooms are air conditioned.

Since these rooms are upstairs, they, unfortunately, are not accessible to people with disabilities. We are sorry.
